

Hillsborough High School Athletic Booster Club 2016-2017 Membership

The HHS Athletic Booster Club is an organization of parents chartered to assist in building a quality athletic program at HHS. In cooperation with the HHS Athletic Director, the Booster Club supports our athletes, athletic teams, athletic department; and helps build esprit de corps in Hillsborough High School. Boosters volunteer and provide financial support where the school and district cannot; they help purchase uniforms, fund team travel, maintain facilities, provide awards, and run concession stands. In the future, we hope to fund athletic scholarships. HHS Sports and our Student Athletes need your financial and volunteer support. Memberships are valid for one school year and for multiple sports.
