

BECOME A SPONSOR

The Hillsborough High School football team appreciates the support of our local community, businesses and alumni. Each year our sponsors ensure that our players have safety equipment, game day meals and other valuable resources that help our team win on and off the field.

With over 130 years of tradition, our historic football program attracts over 5,000 students, alumni and spectators to Chelo Huerta Stadium. They are sure to applaud your generosity as a HHS Sponsor. Whether your sponsorship is a cash donation or in-kind donation, we will ensure that your family or company is recognized for your contribution.

MAKE AN IMPACT

When school funding is reduced, the sports teams are the first to take the hit. The Hillsborough High School Football Association (HHSFA) was founded by HHS football alumni in response to finding donors who will help fill the financial gap. By raising supplementary funds, our team is able to have access to improved uniforms, safety equipment, athletic training and healthy meals which allow them to compete equally with better funded teams.

Hillsborough High School is revered as one of the longest standing high schools in Hillsborough County. We greatly value the support of our sponsors over the years. You are an important part our rich tradition and history in Tampa Bay. Enclosed you will find important details on how you can make an impact during the upcoming football season.
